Our Team

Combining spirit and hustle with speed and power, Coach Harry Milligan's Musketeers surpassed their pre-season status as a weak contender in Region 2-AA by winning the title. The cadet gridgers, after eight victories, lost the decision in the state championship to LaGrange High. During the eventful campaign, the Musketeers were sparked by yard-gaining backs Don Kemp, Ken English, Bill Kuhlke, David Milligan, Jimmy Cook, and Tony Atkins, plus a hard-charging line paced by All-State Tackle Brantley Kuglar, Guard Pat Dye, Ends Gary Melton and Charles Everett, and line backers Bill Force and Lewis Flint.

MUSKETEERS 7—GLYNN ACADEMY 0

Playing their first game in the Region 2-AA schedule, the Musketeers handed Glynn Academy a slippery 7-0 setback in a rain-soaked marathon. The decisive score was made by the ARC eleven on the sixth play from scrimmage as Milligan connected with End Gary Melton for a 50 yard tally which ended in a touchdown. Shortly thereafter the rains came, miring the efficiency of both clubs.

MUSKETEERS 48—COMMERCIAL 0

Utilizing their most explosive offensive attack of the season, the Richmond gridsters belted a hapless Commercial High team of Savannah 48-0. Led by the versatile quarterbacking of David Milligan, the Cadets racked up 35 points in the second half to win going away. Gary Melton and Tony Atkins tallied twice each for the winners.

MUSKETEERS 7—BENEDICTINE 0

Waging a grueling defensive battle with a stout Benedictine Lac, the Musketeers continued their gridiron pace with a dog eat-dog 7-0 victory in a rigorous game. The decisive score was set up on a brilliant 40 yard punt return by Don Kemp. Four plays later found David Milligan hitting Charles Everett for the crucial six in the End Zone. Brantley Kuglar added the extra point.

MUSKETEERS 19—SAVANNAH HIGH 14

Following a week of rest from the gridiron, the Academy eleven edged Savannah's unbeaten Blue Jack-ets 19-14, virtually assuring themselves of the Region 2-AA title. Sparked by the passing of David Milligan, the Cadets drew first blood. Gary Melton took the last of David Milligan's three aerials for the first score of the fracas; however Savannah rebounded with two tallies to go ahead 14-7. Spurred on by the pressure of the predicted outcome (Savannah by 13) the Musketeers pushed over two more scores during the remainder of the game, Gary Melton and Jimmy Cook scoring.

MUSKETEERS 25—BOYS' CATHOLIC 0

Following the Thanksgiving Day battle with Boys' Catholic High, there were many thankful hearts among the ARC rooters. The Musketeer followers were re-

joicing over having beaten their cross-town rival, thereby becoming Region 2-AA champs for the fourth time in the last six years. Gary Melton was awarded a Bul-ova watch for becoming "Most Valuable Player" as voted by his teammates.

MUSKETEERS 13—LaGRANGE 20

Two bad breaks resulting from a pair of punts, enabled a well-drilled LaGrange High eleven to edge the Musketeers 20-13. Watching the last remnants of their hopes for state title slowly disintegrating before a deluge of misfortunes, the Cadets fell behind early to a commanding 14-0. In the last period English and Mel-ton capped two belated drives with markers. The Nem-esis in the Richmond setback was Granger Bobby Harris who scored all three of the LaGrange touchdowns.

In the days when King Tut and his harem were learning the shag, and laying the pattern for the Casanovas to come, some serious minded intellectual of the ancients decided to place on record the virtues of building with clay. Even then, during the dawn of history, the durability of brick as manufactured by the industrious Israelites was well known.

In proof of this, we offer the inscription found on a tablet at Dasher, which is located a little south of Cairo, Egypt. This tablet is on one of the great pyramids of that region. It bears the following inscription:

"Disparage me not by comparing me with pyramids built of stone. I am as much superior to them as Ammon is superior to the rest of the deities. I am constructed of brick made from mud, which adhered to the ends of poles, and was drawn up from the bottom of the lake."

We admit that all of the above produces a fond glint in our eyes.

If we work upon marble, it will perish; if we work upon brass, time will efface it. If we rear temples, they will crumble to dust. But if we work on men's immortal minds, if we imbue them with high principles, with the just fear of God and love of their fellow-men, we engrave on those tablets something which no time can efface, and which will brighten and brighten to all eternity.
